Below the progress bar is a heart-shaped graphic composed of many small human icons. To the right of the heart, there are tabs for "Recent Supporters" and "Top Fundraisers", followed by the text "Thank you for your support!" and "0 supporters". A red circle highlights a button labeled "Create my own fundraising page!". At the bottom, there is a paragraph of text about the organization's mission and a note that it is a 501(c)(3) charitable organization.

One in five children in Coastal Georgia lives in a situation where having enough food to eat is not guaranteed. PACK is a 100% volunteer-run organization whose volunteers assemble and deliver 4,700 weekend meal bags each week to food-insecure children through 41 Chatham County schools and community centers. We also support over 1,000 vulnerable children each year through the PACK Cottage and PACK Boutique programs.

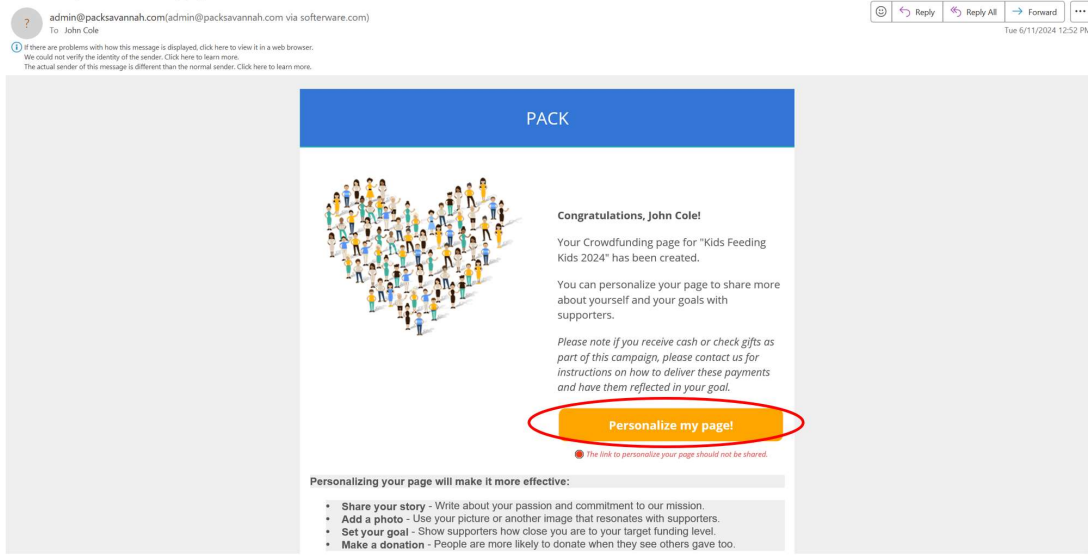

PACK is a 501(c)(3) charitable organization, and your donation is eligible for tax deduction in accordance with IRS guidelines.

- Enter the child's name and email address, and click 'Create My Page.'
- If there is more than one child, we recommend combining all children into one page (for example: Winston, Dash, and Niicy Johnson)

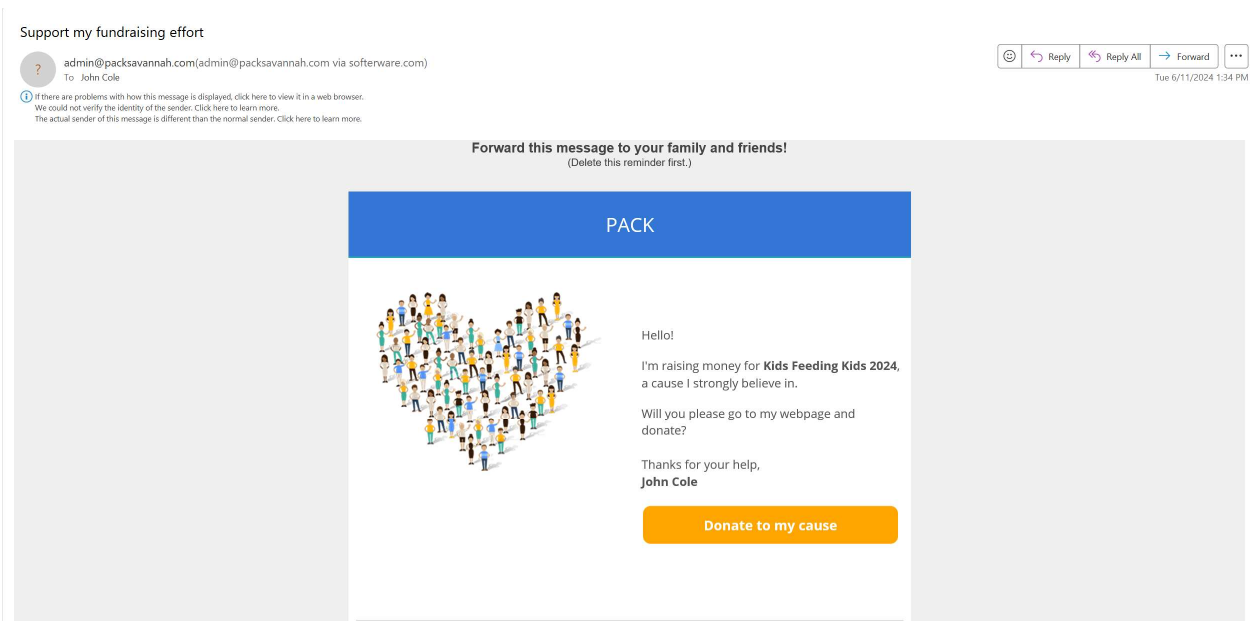

- You will then receive an email with a link that will allow you to customize your fundraising page. **\*\*DO NOT SHARE THIS EMAIL WITH ANYONE.\*\***
- We recommend only updating your story, photo, and fundraising goal. Be sure to save and publish at the end.
