

How to Create Your Own Online Fundraising Page

Step 1: Complete P.A.C.K.'s General Volunteer Application

- If all children and parents involved are already in our system, then you can skip this step.
- Each child who wishes to fundraise with us **MUST** complete a volunteer application. A parent or guardian must also complete the volunteer application.
- You can find the volunteer application by clicking the link below or scanning the QR code on your phone!

Step 2: Complete the 2025 P.A.C.K. Student Campaign Form

- Every student participating in a campaign **MUST** fill out this form
- Fill out the form by clicking the link below:

Step 3: Create Your Fundraising Page

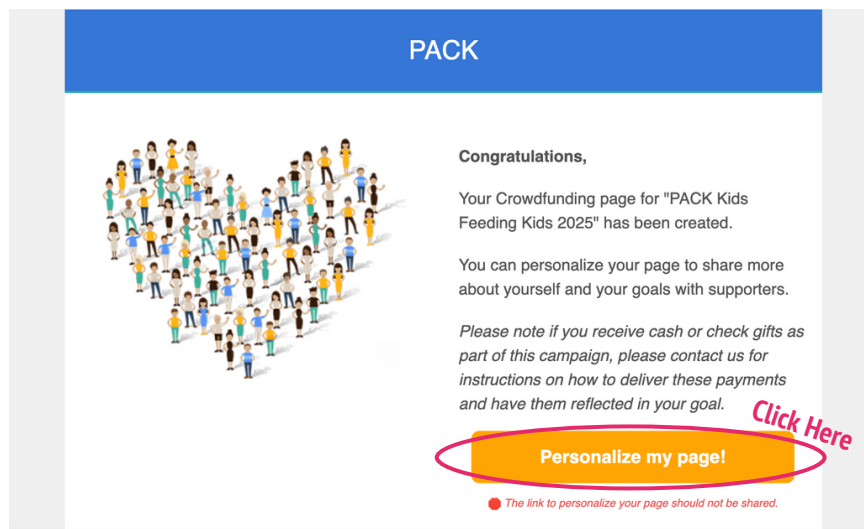

- Go to: <https://interland3.donorperfect.net/weblink/weblink.aspx?name=E365198&id=12>
- Select 'Create My Own Fundraising Page.'

- Enter the student's first **AND** last name and email address, then click 'Create my Page.'
- If you are creating a page for multiple students, we recommend combining all children into one page (ex: Abby, Brooke, and Clara Johnson)

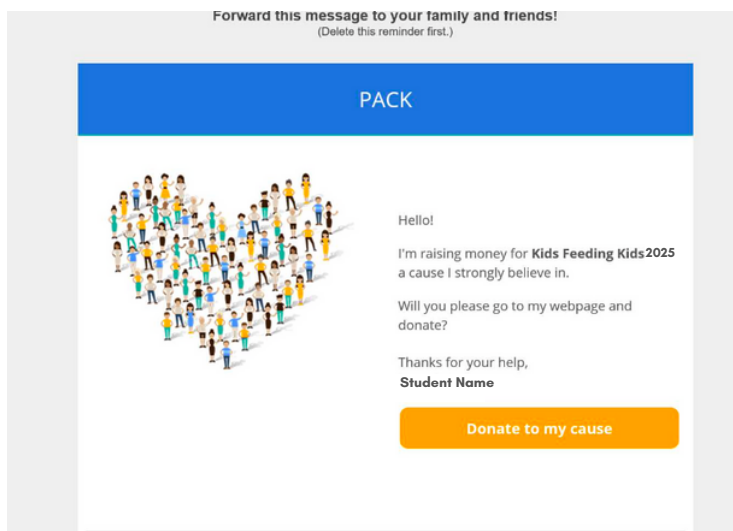

- You will then receive an email with a link that will allow you to customize your fundraising page. ****DO NOT SHARE THIS EMAIL WITH ANYONE****
- We recommend updating your story, photo, and fundraising goal. Be sure to save and publish at the end!

Step 4: Share Your Fundraising Page

- When you finish updating your fundraiser page, you will receive an email that looks like this:

- You can forward this email to your friends and family members.
- You can also share the link through social media. Click on the 'Donate to My Cause' button in the email, and when it opens up your page in a web browser, you can copy and paste the url to share!
